

HERCULES CAR WASHING SYSTEMS TRADE-IN/UPGRADE TESTIMONIALS

It's only been a few months since we upgraded to the Hercules 6000 but we had a Hercules 3000 for 15 years and were very happy. We have always had a strong response with up-selling the wax sealant and can see that this will be a great profit center." - Delbert Bunker III Dealer Principal Bocker Auto Group

"I can't believe it's been nearly 30 years since we installed our first Hercules System. It's now been a little over a year since we purchased our two new model 6000s and I wanted to let you know how truly satisfied we've been with the quality of the systems over the years. Since day one, back in 1988 we immediately put it to use helping us keep our CSI levels up and producing a new stream of income in our service department." - Ken Gensinger Jr. Gensinger Motors, Inc.
